For promoting Fujitsu Desktop ESPRIMO Mini PCs

Use these posts to draw attention to Fujitsu Desktop ESPRIMO Mini PCs on social media platforms. You can link the posts to information of your choice on your own site, and also combine posts with the visuals shown.

Posts are provided for LinkedIn, Facebook and Twitter. Feel free to mix and match posts as appropriate for your needs, and link with the stories that you think will be most compelling.

The Facebook and Twitter posts are shorter and more informal, but – since this is a business solution – they are not as “chatty” as they would be for consumer products. They can therefore be used interchangeably with the LinkedIn elements.
