

# Outperform yourself with HCI

Discover Fujitsu HCI Bundles for Nutanix

## Quick, efficient adoption of Nutanix HCI with ease

Hyper-converged infrastructures (HCI) are transforming the economics of IT, creating a next-generation data center foundation that's agile, cost-efficient and resilient – they also dramatically simplify the path to hybrid IT. With the HCI Bundles for Nutanix based on the **Fujitsu Integrated System PRIMEFLEX for Nutanix Enterprise Cloud**, Fujitsu provides everything you need to improve the lifecycle experience of a Nutanix HCI environment – the hardware, software and expert services making deployment, operation, scalability and maintenance a breeze.

To get your journey to HCI started smoothly, Fujitsu offers three pre-configured and pre-tested configurations that are adaptable to diverse workloads and scale.

- Hybrid and all-flash models for a wide range of performance and capacity needs
- Tailored to support capacities varying from 10 TB to 60 TB of usable capacity per node
- 3-node base packages allowing you to start small with less budget and grow by adding further nodes.
- 3 years 24x7 maintenance and support for the complete hardware and software stack – with a single point of contact
- Standardized on-site implementation service for 3 nodes with single price tag and order number

Intel® Xeon® Platinum processor

**NUTANIX**

# 2 strong partners 3 perfectly tuned solutions.

If you want to refresh the IT infrastructure in your data center or remote/branch offices with a future-proof solution that supports your existing application landscape besides modern cloud-native applications, the **Fujitsu HCI Bundles for Nutanix** will make it a success.

XF1070 M7

XF3070 M7

XF8055 M7

	Entry	Performance	Capacity
Base unit	XF1070 M7	XF3070 M7	XF8055 M7
Nodes (min)	3	3	3
CPU (per node)	1x Intel Xeon Gold 5415+ 8C 2.9 GHz	2x Intel Xeon Gold 5415+ 8C 2.9 GHz	2x Intel Xeon Gold 6426Y 16C 2.5 GHz
Memory (per node)	128 GB	192 GB	384 GB
Flash Storage (per node)	3.84 TB	19.2 TB	15.36 TB
HDD Storage (per node)	24 TB	-	96 TB
Software	Flexible Nutanix Software license packages available		
Support	3 years 24x7		
Service	PRIMEFLEX for Nutanix Enterprise Cloud Implementation Packs (1x Start Base and 3x Node Pack)		

## Expertise you can bank on

### Fujitsu

- Fujitsu PRIMERGY industry-standard x86 servers – 20+ years of development and production know-how resulting in extremely low failure rates below market average
- Standardized PRIMEFLEX implementation services and 24/7 infrastructure support with a single point of contact for the complete hardware and software stack
- Fujitsu uSCALE - flexible, on-premises IT infrastructure as-a-service solution

### Nutanix

- Leader in Gartner Magic Quadrant for HCI software with almost 50% market share and highest customer satisfaction ratings with a Net Promotor Score of 92 (Gartner)
- Multi-hypervisor support (AHV, VMware ESXi, Hyper-V) and 1 to any scalability
- PRISM management console with intuitive operation with less complexity, feature rich functionalities
