

Imagine a world beyond ownership

FUJITSU

Transcend traditional procurement models with Fujitsu uSCALE for Workplace

Imagine IT procurement processes that are as easy and simple as saying what you need and then getting it – without the finance department frowning about expenditure.

Imagine being able to equip all your teams with the latest technology – no upfront investment necessary.

Imagine getting replacements, backups, and upgrades to your hardware whenever you need them – at one transparent monthly fee.

Imagine your hardware being picked up and recycled at the end of its lifespan – with no extra cost and without you having to lift a finger (except, maybe, to contact us).

Imagine making your workforce happier and more productive in an instant – even when you need to hire new team members or entire teams.

Imagine your IT department being free to focus on the projects that boost your business – unencumbered by tedious hardware admin tasks.

Shed the responsibilities of ownership and embrace a new level of agility and flexibility!

With Fujitsu uSCALE for Workplace, you get the hardware you need, whenever you need it, for as long as you need it, plus value-added services that make your life a lot easier. All at one transparent monthly fee.

Are you ready to transcend ownership?

Book your CX Lab session now to find the best uSCALE for Workplace fit for your business.
