

# Transform your OR

Uncover new capacity  
Optimize utilization  
Increase volume

## Introducing Surgical Capacity Optimization from Fujitsu

A one-of-a-kind solution to give you full confidence in your OR decision making.

- **Treat the cause, not the symptoms:** Stop firefighting and gain smart, data-driven recommendations to uncover new capacity.
- **Gain total confidence:** Model the impact of any schedule change or strategy with our unique 'what if' function.
- **Make things more predictable:** Create a calm work environment with fair, predictable schedules that optimize utilization and increase volume.

Come along to booth 506 at  
the OR Manager Conference  
(18-20 Sept, Nashville, TN).
